10 **ORDER OF DISMISSAL**  
11

12 On February 13, 2025, Petitioner Lamont William Jones sent a letter to the Court, which  
13 the Court construed as an effort to open a case. Dkt. No. 1. The same day, the Court notified  
14 Jones that the action was deficient because he had not filed a complaint or petition, paid the filing  
15 fee, or filed an application for leave to proceed *in forma pauperis* (IFP); the Court instructed him  
16 to cure the deficiencies within 28 days. Dkt. Nos. 2, 3. The deadline has long passed and Jones  
17 did not file a complaint or petition, pay the filing fee, or file an application to proceed IFP.

18 Accordingly, the matter is **DISMISSED** without prejudice to Jones filing a motion to  
19 reopen the action. Any motion to reopen must be accompanied by a complaint or petition on  
20 form, as well as either the filing fee or a complete IFP application. The Clerk shall close the file.

21 **IT IS SO ORDERED.**
